

HOST **UK**

welcoming international students

A Welcome is Waiting for YOU

Would you like to be a guest in a private home and experience the way of life of British residents?

HOST can arrange an invitation for you!

HOST is a charity, supported by the Foreign and Commonwealth Office and many universities. We offer international students the opportunity to be guests in the homes of approved hosts all over the UK in order to promote international friendship and cultural exchange

How to apply

If you are an international student at a UK college or university, you can register and apply for a visit online. There is an application fee, which your university might pay for you. More information and guidelines can be found on our website at www.hostuk.org.

Take a friend.
If you prefer not to go alone, you can take a friend who is also an international student

Need to Know

The application fee helps to pay HOST's administrative costs. Our hosts give their hospitality freely. They generously invite you because they enjoy the experience as much as you will. You will be responsible for the cost of your travel.

Cultural exchange. You will learn about British culture and customs, and your hosts will be pleased to learn about yours.

It is safe. Our hosts are known personally to the local regional organisers who arrange the visits. HOST has been working successfully for international students for more than 25 years.

It is special. You will spend a weekend, or a few days at Christmas, or just one day if you prefer, meeting friendly people in a real home, finding out about life in this country.

What they say

This is really a wonderful experience. I feel like I have fallen in love with the UK and British people after my HOST visit.

Qianqian Cai, China

If you are an international student, especially with no family or friends in the UK, you need to give a HOST visit a try. Without a HOST visit, you have not fully and truly 'tasted' Britain. **Abdul-Razal Saeed, Ghana**

You definitely don't want to miss this opportunity. This will be the best part of your stay in UK. **Ali Al-Agri, Yemen**
