

English Language Qualifications

Applicants who require a Student Visa, and who are not a national of, nor have obtained a degree in one of the countries on the approved exemption [list](#), will need to provide evidence of their English language ability through the use of a standardised test.

GSA prefers applicants to provide one of the test results from List 1, approved as a UKVI SELT. The exact result required will be shown in the entry conditions of the offer letter. Applicants unable to provide a test result from List 1 may also consult List 2 (English Language Tests and Qualifications) and List 3 (Secondary and Higher Education Qualifications).

If applicants provide a test result from List 2 or List 3 showing the appropriate level of English language ability for entry onto their chosen programme, they will normally be required to undertake a GSA English Language Verification Interview. The only exception to this will be applicants taking the IELTS Academic test from an [approved test centre](#).

(List 1) UKVI Approved Secure English Language Test (SELT)

Tests taken at an approved testing centre will contain a Unique Reference Number (URN) which allows UKVI to verify results. The URN will be stated on the CAS.
